

Momo?

Wat's
up...

Shit
shit
shit

WAVE.5 PIRATE

Hmm...
Seems
a tad un-
wisely.

That we
should be the
New Hearty
Volsun!

Then I guess
it would be
appropriate to
continue on as
the second
generation of
the original
crew.

Yes
there-
fore...

Now it
seems to lack
grandeur.

Then Hearty
for short!

You may have
inherited it...
but now it's
your ship...
Which reminds
me, I have a
query.

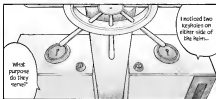

What... is
that?

A query?
what?

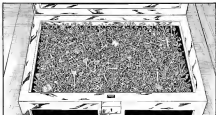

Oh, yeah...
Moron's been
starin' at da
wheel for awhile
now. whatchu
think?

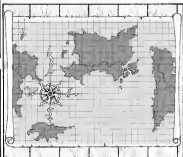

Cherry?

What?

Where?

Where are we?

I'm getting a headache...
We're in a sorry state, Captain Cherry...

'Stupid!'
'Stupid!'
'A bunch!'

Momoi!
Cherry is a hopeless man!

Huh...?
Oh...
There's a difference?

NOT A SEA
CHART...

THIS IS
A MAP.

THIS TELLS
NOTHING
OF THE OPEN
SEAS OR HOW
TO CROSS
THEM...

Huh,
seriously?
That's bad

Cherry
is really
dumb

This information better be accurate.

It is.

He's a young man by the name of Cherry Blossom.

He's a newcomer pirate, so we don't know the name of his crew yet.

He's currently crossing the open seas from Lupia towards Mount Bantagon.

He should be arriving shortly at Zenben Island.

Zemben Island .
We won't be able
to dock incon-
spicuously at that
break near with
our dreadnought

But there's no
other choice.
Change our
heading north-
west.

It's about
Morning
Glory...

There's
one more
thing to
report.

Captain
Bagloss.

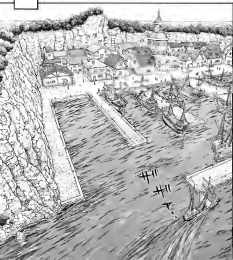

Cherry, keep
the World
Rift Tear
out of sight.

HURT

And
ISLAND!

Zorben
Island

Are they
all pirate
ships...?

There's
ships all
over!

The ultimate
dream of all
sailors.

A completely
unimagined
world.

The Tear
leads you
to it...

There's one
more Tear you
need to cross
the World RIFT.

Right.

No... You
need more
than just
the Tear.

If I had the
Tear, I'd give it
a shot, even
though my crew
is small-time.

Of course
I'm inter-
ested in the
other side.

So many
strange things
have already
leaked into our
world. I can't
wait to see
where they
came from.

The other side
of the World
RIFT... I wonder
what's over
there.

Cherry...
what are your
thoughts on
the matter?

STEP
OUT-
SIDE!

I'LL PRY IT FROM
YOUR LIMP HANDS
AFTER I STOMP
YER HEAD INTO
THE GROUND!

What the
hell's a whelp
like you doing
with those?

Forc' it over...
No, wait.

Did you
say
FIFTH
Horns?

They're
come
for
that.

doing in
the Trash
Heap...?

What are
guys like
that...

You
better
guard
it with
your life.
Literally.

Next time
you might
not be so
lucky.

Cherry...

It seems
for now, the
World Gift
Tear stays in
your hands.

Pathetic...
And you call
yourself a
pirate.

Get ahead
of your
enemies!
You don't
stand a
chance!

Are you
guys really
planning on
taking on
the Fifth
Horn?!

No... If you look
at it logically,
Captain Cedar
is right.

You got a better idea?

It's like holding a giant sign saying "The World Rift Tear is right here!"

We shouldn't be gathered so conspicuously in one place.

You think you can single-handedly prevent bloodshed...

huh.

The Fifth Horns are acquainted with me.

We don't know for sure if the World Rift Tear is truly his target.

I'll go out and greet them like there's nothing wrong; see what they want.

Major McP?

Captain Order, you'll be coming with me.

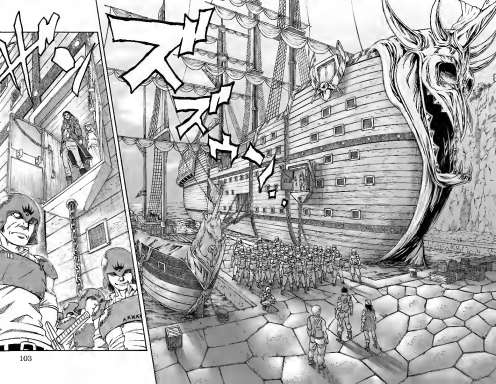

A special plan!

Head towards the inlet.

We aren't fleeing, this is a tactical retreat. It's just Phase One of the plan, Captain.

Wow,
Cherry!

She was
under the bar
the whole time!

Gah... This
is a first
for Glory.

Stupid
Cherry, dare
dare! No
helping ya.

No, the
king's
Momo's
special
plan.

No matter how
Momo prettied
it up... This is
still fleeing.

But this
time is
different.

He was always
a lone wolf
who acted in
his own best
interest...

A
first?

He's found
a man he's
willing to call
his captain.

What are the
Captain's
orders?

Go?

CAPTAIN
CHERRIE!

You should
be more
worried about
yourself...

I guess I just
can't leave
Momo behind...

...As I
thought.

The
World
is
Tear.

Hand it over
or else.

Madam.

WEPPING
IS FOR-
BIDDEN IN
DA BAR!

ANN
NN!

Outside
the bar.

Right now,
we're...

Glory's
defeated
thirty... No,
forty people
now?

I'M
POOPED!!

IS IT ALL
FOR THE
WORLD'S GIFT
TEAR?

HOW FAR
ARE YOU
WILLING TO
GO? IS
THIS ALL
FOR THAT
KID...?

...WITH AN
UNPREC-
EDENTED
FOOL.

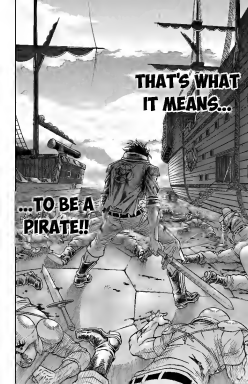

TO CROSS
INTO UN-
CHARTED
WATERS...

TO BE
UNABLE TO
RESIST THE
SIREN CALL
OF THE
UNKNOWN...

TO SEEK
MYSTERY
DISCOVER
THE UNDIS-
COVERED...

**THAT'S WHAT
IT MEANS...**

**...TO BE A
PIRATE!!**

you better
stop, for your
own sake.

This time,
"Hang on a
sec" means...

**OR YOUR
BOSS IS
GONNA GET
AN ARROW
RIGHT
BETWEEN
HIS EYES!!**

COURTESY
OF MY
CAPTAIN!!

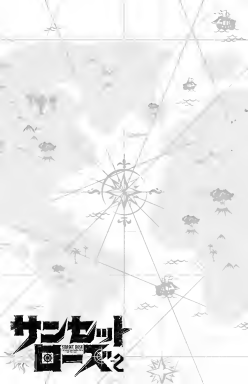

He
doesn't
miss.

Dis-
tance
is
irrele-
vant.

Don't
make me
laugh.

...From
that dis-
tance...?!
